It is the policy of *Mennonite Life* to list all significant books, Ph.D. dissertations, and M.A. theses dealing with Anabaptist-Mennonite related subjects that have been published or written during the preceding year. This report has as a rule appeared in the April issue of *Mennonite Life*. Starting in 1973 it is being published in the March issue. Another helpful aid in locating information is the author and subject index which can be found in the January issues of *Mennonite Life* as follows: 1956, 1961, 1966, 1971, and March 1976.

New rich bibliographical information is found in *Doopsgezinde Bijdragen* published since 1975 annually, and *Documenta Anabaptistica Neerlandica*. Information and subscriptions can be sent to Doopsgezinde Historische Kring, Singel 454, Amsterdam, Netherlands.
