The *Mennonite Life* bibliography has been expanded this year to include significant articles, in addition to the regularly listed new books, dissertations and theses, which have been published or written since the most recent bibliography. This bibliography includes a two-year period, the calendar years of 1977 and 1978. A few previously unlisted items from earlier years have also been included. The most recent *Mennonite Life* bibliography appeared in the March, 1977 issue, pp. 26-30.
